GROUP CONTRIBUTION REPORT

This document serves as the official statement regarding the division of labor for this assignment. We confirm that the workload was divided equally among the three members of the group.

Aleyna worked on **Part 1** of the assignment.

Mariam worked on **Part 2** of the assignment.

Kenza worked on **Part 3** of the assignment.

Furthermore, we regularly communicated and discussed all our results together to ensure the overall coherence of the final project. By signing below, we all agree that this distribution of work is accurate and represents an equal and collaborative effort towards the final submission.
